powerful, efficient, reliable

Scissor lifting tables

Armo S.p.A. developed day by day the quality of its production, the efficiency of its industrial organisation and the experience of his staff.

Nowadays Armo S.p.A. is a company with a well-trying international inclination, leader in the Italian market with a wide range of lifting machines and equipment for the industrial logistical market.

Armo can supply quick and exhaustive answers to all problems submitted by customers, both with our well-supplied warehouse as well with our special lifting tables designed and realised according to the customers' needs.

## Certificated

All ARMO scissor tables are rigorously and repeatedly tested in our factories, and, if foreseen, they are CE marked.

## Guaranteed

All our products are covered by a 24 months warranty, starting from the installation date.

## Insured

ARMO is covered by a liability Insurance Policy for Industrial Companies, should we be subjected to requests of compensation for damages to third parties, caused by the company's products.
